#### PUREBRED DAIRY CATTLE ASSOCIATION'S SHOW RING CODE OF ETHICS

The following major violations are considered fraudulent or unethical and will be reported to the respective breed association and show management and can result in animals or exhibitors being barred from showing in their respective breed shows:

1. Misrepresenting the age and/or milk status of the animal for the class in which it is shown.
2. Treating the animal, particularly the udder, internally or externally, with an irritant or counter irritant, or other substance to artificially improve the conformation.
3. Surgery or insertion of foreign matter under the skin or into the body cavities, performed to change the natural contour or appearance of the animal's body, though not to preclude practices required or involved in normal management.
4. Criticizing or interfering with the judge, show management or other exhibitors while in the Pavilion, or other conduct detrimental to the breed or the show.
5. Challenging, threatening, or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the show grounds.
6. Excessive manipulation of hair.
7. The following violation is defined as unethical practices that detract from the Pavilion and will be given slight to serious discrimination. Exhibitors will be asked to undo or remove the manipulation before they enter the ring or the judge will give the animal discrimination in class by lowering the animal's class rank:
  - Setting teats or manipulating a teat to alter its normal position, such as to unnaturally hold it plumb or to alter its length is an unacceptable practice.

The following minor violations are considered to detract from the image of the show when carried to excess and will be given slight to moderate discrimination by the judge when placing animals:

1. Improper fitting practices such as over filling and over bagging
2. Use of artificial hair except for false switches
3. Mistreatment of an animal.
4. Unsportsmanlike conduct on the part of showman.

Practices, which should be encouraged to enhance the image of the show:

1. Follow uniform dress code for dairy exhibitors in the Pavilion. No shorts above the knee.
2. Recognize good herdsmanship and exhibits in the barn. In keeping with the basic philosophy of the PDCA, ethics are an individual responsibility of the owner of each animal shown.

**Violations of these policies are subject to disciplinary provisions of the appropriate dairy breed association and/or show management.**
