RULES AND REGULATIONS: Dairy Goat

1. All exhibitors are subject to the general rules and regulations and the livestock rules in addition to the particular rules listed here.
2. The American Dairy Goat Association (ADGA) sanctions the shows and their rules shall govern. We have two separately sanctioned ADGA Doe shows. Monday's show will be an ADGA Open Junior/Doe Show. Tuesday will be an ADGA Open Combined Junior/Senior Doe Show. (The Junior and Senior Does are not separately sanctioned for this show.) We would like to ask you to be willing to also show your Junior Does in our combined Junior/Senior show if needed to make a breed official. You are welcomed to enter your Junior Does in both shows, however premiums will only be paid to the Junior Does in the separately sanctioned Junior Doe Show. Also you will only pay entry fees for your Junior Does in the separately sanctioned Junior Doe Show. A registration paper must accompany all animals upon arrival; or for does under 5 months of age a stamped ADGA duplicate application for registration.

3. These are ADGA sanctioned shows and thus are open to all exhibitors. There are no limits on the number of animals that can be entered in a class by an exhibitor; however only 2 premiums are paid per exhibitor per class.
4. Please make copies and use a separate entry form for each exhibitor. Please make copies if needed. **THERE WILL BE NO CHAMPION CHALLENGE CLASS.**
 - a. Exhibitors may combine in Get-of-Sire and Produce of Dam classes. All combined groups must be entered under one exhibitor's name as of July 10. Enter in the name of the sire or dam only.
 - b. Entries for the Herd classes must be that of one exhibitor. You may not combine entries in these classes.
 - c. Substitutions are allowed only within the same breed, the same show and the same exhibitor. These changes must be completed no later than check-in time. There will be no exceptions.
 - d. August 15, 2011 is the date to use for computing the ages of animals.
5. Barn space is limited. Entries close when the barns are full.
6. Exhibitors must provide own feed and hay. **NOTE:** Storage is very limited and no more than one tack area will be planned for any area. Please provide for your own storage. All aisles must remain accessible for fair patrons.
7. **PEN FEES** - A pen fee of \$7 per pen is in effect. Exhibitors shall have the option of cleaning pens to have the fee returned. Any pen fees not returned shall go to the charitable organization(s) that have registered their interest in cleaning the remainder of pens to receive these funds. Exhibitors will be notified that their entries have been accepted and given the number of pens for this department only. The name of the organization to make checks payable at check-in time. Notification of pens may be given upon arrival; exhibitors are to be prepared in case notification of the amount due is not given. No animals will be checked-in until the exhibitor pays their pen fees.
8. **MILK-OUT** shall be at the discretion of each exhibitor.
